## SwiftClean HP

SwiftClean HP is a technologically advanced, high performance, waterproof surface protector, chemically bound to the surface of every Enstyle, Elite series product. Floors with SwiftClean HP are easier to maintain, helping to preserve the natural appearance of the floor for both residential and commercial installation.

## FiberCore™

All Enstyle Luxury Vinyl products feature our exclusive, technologically advanced, FiberCore providing added strength and flexibility ensuring all Enstyle products are dimensionally stable for the North American conditions.

## dBcover<sup>cv</sup>

Our premium high performance sound suppressant underlayment helps to smooth out minor subfloor imperfections while adding comfort and warmth to the floor.
